FUND FACT SHEET

DECEMBER 31, 2025

## DESCRIPTION

The International Value Fund seeks to own 40-80 of the most attractively valued companies across the market cap spectrum located outside of the United States. The Fund has a great deal of flexibility with respect to market cap and geography and will hold many of the firm's best investment ideas. We look for durable businesses run by shareholder-friendly management teams that are trading at attractive valuations relative to long-run normalized earnings.

## ABOUT US

Since 1980, Hotchkis & Wiley has focused on discovering undervalued securities through extensive internal research. We manage \$37 billion in value equity and high yield assets for institutional and mutual fund investors. The firm is independently owned with a majority interest held by employees.
