## DESCRIPTION

The Small Cap Diversified Value Fund is a diversified portfolio that targets undervalued small cap stocks that are out of favor and often underfollowed by Wall Street research. The Fund leverages proprietary valuation models and the seasoned judgment of our experienced research team to build a portfolio of smaller companies with strong balance sheets and attractive assets.

## ABOUT US

Since 1980, Hotchkis & Wiley has focused on discovering undervalued securities through extensive internal research. We manage \$33 billion in value equity and high yield assets for institutional and mutual fund investors. The firm is independently owned with a majority interest held by employees.
