

# SMALL CAP DIVERSIFIED VALUE

## DESCRIPTION

A diversified portfolio that targets undervalued small cap stocks that are out of favor and often underfollowed by Wall Street research. The strategy leverages proprietary valuation models and the seasoned judgment of our experienced research team. Seeking small size companies with strong balance sheets and attractive assets, the strategy looks to outperform the index over a full market cycle.

## ABOUT US

Since 1980, Hotchkis & Wiley has focused on discovering undervalued securities through extensive internal research. We manage \$34 billion in value equity and high yield assets for institutional and mutual fund investors. The firm is independently owned with a majority interest held by employees.

Investing in smaller and/or newer companies involves greater risks than those associated with investing in larger companies, such as business risk, significant stock price fluctuations and illiquidity. Investing in value stocks presents the risk that value stocks may fall out of favor with investors and underperform growth stocks during given periods. All investments contain risk and may lose value. Data source: H&W, Russell, Bloomberg

**Market Disruption:** The global coronavirus pandemic has caused disruption in the global economy, unprecedented business and travel disruption and extreme fluctuations in global capital and financial markets. H&W is unable to predict the consequences of the upheaval caused by coronavirus pandemic, which has the potential to negatively impact the firm’s investment strategies and investment opportunities.

Hotchkis and Wiley Capital Management, LLC (the “Firm” or “H&W”) claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. H&W has been independently verified for the periods October 9, 2001 through December 31, 2019. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm’s policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. The Small Cap Diversified Value Composite has had a performance examination for the periods July 1, 2005 through December 31, 2019. The verification and performance examination reports are available upon request.

H&W is an independent investment management firm registered with the U.S. Securities and Exchange Commission and manages value equity and high yield assets for institutional and mutual fund investors. Its predecessor firm was established in 1980. The equity team of the predecessor firm established H&W in October 2001.

H&W refers to itself as a “registered investment adviser” in materials distributed to current and prospective clients. As a registered investment adviser with the SEC, H&W is subject to the rules and regulations adopted by the SEC under the Investment Advisers Act of 1940, as amended (the “Advisers Act”). Registration as an investment adviser is not an indication that H&W or its directors, officers, employees or representatives have attained a particular level of skill or ability.

Valuations and returns are stated in U.S. dollars. Investment returns include reinvestment of dividends, interest, and capital gains. Gross performance results are presented before management and custodial fees but after all trading expenses. Effective January 1, 2006 net performance results are presented after actual management fees (including performance-based fees if applicable) and all trading expenses but before custodial fees. H&W’s management fees are described in Part 2A of its Form ADV. The standard Small Cap Diversified Value management fee schedule is 55 basis points on the first \$15 million, 50

basis points on the next \$35 million and 45 basis points thereafter. Internal dispersion is calculated using the equal-weighted standard deviation of all portfolios (gross returns) that were included in the Composite for the entire year. A list of composite and pooled fund descriptions and policies for valuing investments, calculating performance, and preparing GIPS Reports are available upon request. Past performance is no guarantee of future performance. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein.

**Composite:** The Composite includes all Small Cap Diversified Value discretionary accounts. The Small Cap Diversified Value strategy seeks capital appreciation primarily through investments in common stocks of small capitalization U.S. companies. The typical market cap range is \$100 million to \$4 billion. Beginning May 1, 2020, accounts with significant cash flows (> 25% of beginning of the month assets) and greater than \$10 million in asset size are excluded from the respective month’s composite calculation and included in the subsequent month. (Composite creation: 7/1/2005)

**Indexes:** The Russell 2000® Value Index (“R2000V”) measures the performance of those Russell 2000® companies with lower price-to-book ratios and lower forecasted growth values. The Russell 2000® Index (“R2000”), an unmanaged index, measures the performance of the 2,000 smallest companies in the Russell 3000® Index. The indexes assume reinvestment of dividends and capital gains, and assumes no management, custody, transaction or other expenses. The value disciplines used in managing the accounts in the Composite may prevent or limit investment in major stocks in the R2000V and R2000 and returns may not be correlated to the indexes. Benchmark returns are not covered by the report of independent verifiers.

The 3-year annualized standard deviation measures the variability of the composite (using gross returns) and the benchmark(s) returns over the preceding 36-month period ended.
